Sci/Tech day Tuesday 21st November

24th October 2023

Dear Headteacher,

We would like to invite the Year 6 students to their second high school experience at Llanidloes High School. This will be a SciTech day on Tuesday 25th November.

Please could you distribute these letters to pupils and let me know the names of the pupils who will be attending. Please could you forward information on any ALN, BESD or any additional needs. If the lists are the same as the lists for the Team Building Day, I can use these.

If you are able to send a member of staff with the pupils it would be immensely appreciated. Pupils should bring a packed lunch, snacks and a drink for the SciTech Day.

Llanidloes High School will be funding the transport for the day. We will inform you of the bus routes once the attendance lists from all the participating Primary Schools have been received. Students will be picked up from their Primary Schools and returned to their Primary Schools by the end of the school day.

Pupils should arrive for 9.45am and will leave at 1:45pm in time to arrive at their Primary School for the end of the school day.

We hope the day will support the Year 6's in their transition to High School.

Kind regards,

*B. Harrison*

Mrs Harrison,
