FAO KS2 PARENTS: CRITICAL WORKER PROVISION IN SCHOOL AFTER HALF TERM

Dear Parents and carers,
To support us with our planning for after half term, please could you contact school by email if the information below applies to your situation.

Due to the announcements made at lunchtime today by Welsh Government about a return to school for Foundation Phase, if you are a worker within an education setting and will now require critical worker provision for Key Stage Two children from Monday 22nd February, please notify us of your anticipated needs for provision to enable us to plan for provision in school moving forward. Please email us on evenlodeps@valeofglamorgan.gov.uk by 3.00pm on Monday 8th February.

Please remember that we are still operating the following system to support requests for provision:
Are there any alternative arrangements possible?
Is there a parent at home or working from home?
If a child can not be kept safely at home then priority would be given for provision in school.

Thank you for your co-operation in enabling us to plan moving forward for after half term.
Take care and stay safe.

Yours sincerely,

Ruth Foster
