

Rhayader Church In Wales Primary School Photos 2023

The school Portrait and Sibling photos are now available to view/purchase online.

Go to my website www.ruthrees.co.uk

On the home page scroll down to where it has a button with “Schools Online Ordering” (it has a school photo beside it).

Then click on the button “School On-line ordering” – this then takes you to the log in page.

School users will need to type in the access code which is printed in red digits on the proof card, then their personal e-mail address and click on the log in button which will let them view the School photos and options to purchase online. **To take advantage of the free P&P orders must be placed by SUNDAY 12th November** and choose the delivery dropdown option for “Return To School”, this can be found in shipping after the “basket summary”. Parents/guardians can order online after this date but will have to pay the P&P and delivery will be direct to their home address.

Many thanks Ruth.
