

Over the next week we will be carrying out a re-eligibility check on all parents/guardians currently receiving the Childcare Offer on the legacy system.

Parents/guardians will receive an email from Ceredigion Childcare Unit asking them to complete a short form.

Please note that this email will only be sent to children accessing the Offer via the legacy system i.e. funding started before January 2023. Parents of children approved on the new national digital system must also reconfirm their eligibility, however, they will have been notified of this via their Government Gateway account.

All parents should complete their eligibility check before **May 22<sup>nd</sup>** to ensure they are not at risk of losing their funding.

Please encourage all parents to complete the form at their earliest convenience to ensure that their funding continues.

If you have any questions please don't hesitate to contact us.
