

L.D. Lapinski

May 3 or 4, 2023

Jamie Rambeau is a happy 11-year-old non-binary kid who likes nothing better than hanging out with their two best friends Daisy and Ash. But when the trio find out that in Year Seven they will be separated into one school for boys and another for girls, their friendship suddenly seems at risk. And when Jamie realises no one has thought about where they are going to go, they decide to take matters into their own hands, and sort it all out once and for all.

As the friends' efforts to raise awareness eventually become a rooftop protest against the binary rules for the local schools, Jamie realises that if they don't figure out a way forwards, they might be at risk of losing both their friends forever...

L.D.'s books will be available to purchase for those children who would like to bring home a copy.
