

Theme— Mini Beasts

12/05/23

Welsh word of the week— Pili Pala

We have been very busy collecting nectar to put in our hive to make it in to honey.

We discovered that the projector turned our mini beast in to big shadows on the wall.

Using tweezers we rescued the bugs from under the giant spiders web.

Using real tools we decorated the butterfly using small parts.

We are all ready for our bug hunt.

We had lots of fun searching for all the mini beasts hiding in the bushes and trees.

We had to count and record how many of each mini beast we found on our tally chart.
