

Theme—Planting 28/04/23

Welsh phrase of the week -Blodau

We collected some apple seeds from snack time and we decided to plant them to see if they would grow.

Here we are filling our pots ready to plant our sunflower seeds.

Here we are busy selling and buying flowers that we made ourselves in our new role play garden centre.

Experimenting with shapes and colours on our new light box.

To help with our finer motor skills we are using tools to put the nails and screws in to the potatoes.

Our sounds of the week are P and O. We are sorting the objects into the correct sound box on our new sound station.
