**School Arrangements for 2023-24 Academic Year**

Annwyl Parents,

The school leadership team and Governing Body have been faced with a challenging budget for the coming school year. Over the course of the past few months, we have worked extremely hard behind the scenes to ensure that our pupils will continue to receive the best possible education at Llangors, despite the financial challenges we face.

We are very pleased to tell you that we have managed to ensure we will continue to have six classes at Llangors for the next academic year. Class organisation has been carefully planned by the school's leadership team and teaching staff who have taken into consideration the size and needs of each cohort. Parents/Carers of those pupils who will form the Y2 group in Hazel class have already been informed.

Following a very positive response to our survey, we will also be opening our own Breakfast Club and After School Club in September. This provision will be known as 'Squirrels'. Squirrels will operate under the umbrella of Mes Bach which means parents in receipt of funding for childcare will be able to use this for Squirrels. Staff will be familiar to pupils, the level of care high and pupils will be able to remain on site throughout. More information, including information about funding and how to book, will be shared with you in the coming weeks.
