Wrap Around Care

Dear Parents/Carers,

Thank you for continuing to use Draycott's wrap around care.

This term, we have been fully booked on a number of occasions, this means moving forward, your child must be on the register or you must show an email confirming your late booking, in order to attend. If your child is not booked on, your child will need to be collected immediately.

We advise booking monthly or for the entire term to avoid disappointment. If you need to book weekly, please do so by **12 noon the Thursday before** the week commences.

Bookings for next term will open on Thursday 19th October.

Breakfast Club

Breakfast club runs from Monday—Friday and is open from 7:45am.

Priced at £4.00 per session, children will receive a variety of breakfast options and a chance to chill out and have fun before the school day begins.

After School Club

Our After school provision runs from Monday—Thursday.

We offer a short session from 3:15—4:15pm, priced at £4.00 per session and a long session from 3:15—5:15pm, priced at £8.00 per session, where the children will enjoy a yummy "tea".

Many thanks,
Mr Draycott
