

Friday 31st March 2023

Dear Parent/Carer,

We would like to invite you to attend a virtual session on our **PSHE and Mental Health and Wellbeing Curriculum**. Whilst we are approaching our final units of the year 'Relationships' and 'Changing Me', we would like to offer an informative session on these themes. We would also like to share how we intend to keep up to date with common themes and changes within the world and the community in which we live so we are meeting the needs of all our pupils.

The virtual session will take place on **Thursday 27th April 2023 at 4pm**. If you would like to attend the session and receive the link, please email Miss Manchester with your details to the email below.

SENDCo@oakhurst.swindon.sch.uk.

Kind regards

Miss L Manchester and Miss C Dunne
PSHE Co-ordinators
