

Setting leader: Miss J Edwards

Setting Assistants: Miss Stephens, Mrs Bujok, Mrs Griffiths and Miss Lloyd

Our Vision

'Smarties children are compassionately inclusive, resilient and are sprinkled with laughter and smiles'

Christmas Concert

I hope you all enjoyed the children's Christmas performance. They practiced so hard and were absolutely amazing in front of a packed audience. They are the youngest children in the school and to get up in front of an audience was quite something and I am so proud of all of them.

Your children are fantastic!

Christmas Party

The children had lots of fun during the Christmas party! They danced, ate and enjoyed a special visit from Santa. They were all very well behaved when they met him and even gave him a huge Smarties hug.

Christmas Lunch

Even though the sprouts didn't go down so well! It was a great opportunity for all the children to sit together and enjoy a special meal with their friends. The kitchen staff worked really hard and staff decorated the setting, it really was a lovely experience for the children.

January 2023

Miss Clare is leaving us to start a new job. We are going to miss her very much, she is such a kind and caring member of the team, but wish her all the best!

In January a new member of staff will be joining us, Miss Becky Davies. Miss Becky worked with us earlier in the year, so some of you may already have met her, but if not, you will be able to meet her at the gate when we start back.

Smarties Improvements

We have been lucky enough to receive a small grant that has allowed us to purchase a new shed and bike storage. The children have really enjoyed having a space to put their bikes and now have a huge storage area to put the toys and resources.

Smarties will have a wonderful sensory room in the year. We have made a few changes to the existing room so that we have enough space to provide the children with an area that can provided the children with resources such as a light table, water play and sensory activities. We hope this space will be completed by the end of January.

Schoop & Website

If you are a new parent please download the Schoop App and click on Smarties,

[Download the App](#). Our Schoop ID: 5721

Schoops can also be viewed on our School Website
