

# Evenlode Newsletter: Friday 29th April 2022

*'Always being our best, for ourselves and for each other'*

Dear Parents and Carers,

As we start the summer term, the children are enjoying the start to the new term with new topics and books to read. Children have loved the 'wow' start to their topics with their immersion days. Year Three are exploring Roman Life and we have all been really excited to look at real Roman artefacts. Year Four have had a great start to the term with their 'Communities' topic and Year Six been very creative, making tie dye T-shirts as part of their new topic about the 1960s. It was super to see Year Two this morning showing off their mental maths skills, playing a loop game where they were recalling number facts ... great mathematical brains! We are all starting to prepare for Sports Day and are enjoying the challenge of practising our sports skills.

Maisie, our school dog, is loving being part of reading sessions now where the children sit and read with Miss Tunley and Maisie.

As it is a Bank Holiday weekend, we will see you all on Tuesday 3rd June. Just a reminder that Colorfoto will be in that day to take class photos. If your child normally has PE on Tuesday, please send them in in school uniform as normal. Please note Year 5 staff would like children to bring in trainers: Reception, Year One and Year Three are fine to just be in uniform with no additional kit brought in.

Have a lovely Bank Holiday weekend and Eid Mubarak.

From Mrs Foster and all of us at Evenlode.

## Parent Volunteers

Thankyou to the parents who emailed in to Mrs Foster to volunteer their time. Now that DBS checks are complete for those individuals, we have allocated you to a year group and someone from that year group will be in touch soon.

## PTA and playground update.

PTA have agreed to the superb plans DragonPlay sent in, so the order has been signed off and we are waiting for a date to start works. We will be having Trim Trails on both playgrounds— one for Foundation Phase and one for KS2, as well as scramble nets and planters. We are hoping the work will be completed this term.

## Well done Lily!

Lily Magee in Year Two had a trial for Cardiff Swimming Club before Easter. Lily has been successful and so will be part of the Cardiff Swimming Club Young Dragons squad from next week! Well done Lily, a fantastic achievement!

## Year 6 Assessment Evening: Thursday 5th May 2022.

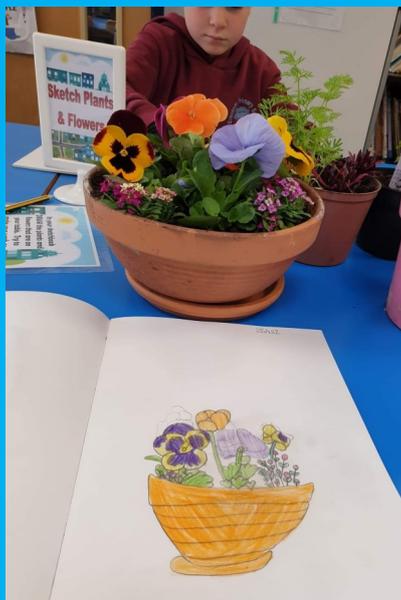

A reminder that a meeting has been set up to talk about Assessment processes in Year Six. If Year Six parents. A letter is being sent home today as it has a return slip on it. If you would like to attend this meeting, please return the slip, so we know the number of parents able to attend. Thankyou.
