Dear Parent/Carer,

RE: Year 5 Swimming at Cardiff International pool, afternoons wk/b 10/01/22 to 14/01/22 and wk/b 17/01/22 to 21/01/22

In order to cover the P.E. curriculum, year 5 will be completing a two week course of swimming lessons. It is essential that all children in year 5 attend these lessons, as they missed the opportunity in year 3 due to Covid. We have arranged for every child to receive swimming tuition at the International Pool in Cardiff. The lessons will take place in the afternoons of week beginning 10/01/22 and the following week beginning 17/01/22. Therefore, **your child will need to come to school with a swimming costume and a towel in a bag, every day.** Goggles can also be brought, if required. Children with long hair will be expected to tie their hair back or wear a swimming cap. No aerosol body sprays, deodorants, shampoos or jewellery should be brought to school and watches should be kept to an absolute minimum to prevent loss or damage.

This course is part of the National Curriculum for Wales and is therefore not voluntary. However, if there is a medical reason why your child cannot take part (apart from the odd day with coughs/colds etc.) please send a doctor's certificate to school. There will be no charge for this activity and children will **not** need extra snacks or money.

Good behaviour is expected at all times during the activity. If there are any concerns regarding individual pupils, this may result in them being stopped from taking part. Please ensure that you speak with your child regarding this to ensure that they understand that they must at all times comply with approved safety regulations and instructions from those in charge.

Thank-you for your co-operation.

Yours sincerely,

Year 5 teachers
