

Someone in your household has COVID symptoms or has tested positive for COVID

You are a child under 5

You do not need to have a test, or self-isolate.

You are over 18 and fully vaccinated

You should self-isolate and take a PCR test.
Self-isolate until the result.
If the result is negative, you can stop isolating.
If the result is positive, you must self-isolate for 10 days.

You are aged 5 - 17

You should self-isolate and take a PCR test.
Self-isolate until the result.
If the result is negative, you can stop isolating.
If the result is positive, you must self-isolate for 10 days.

You are over 18 and not fully vaccinated

Self-isolate immediately for 10 days.
You should take a PCR test on day 2, and again on day 8.
