

Good Morning,

Today MonLife launched a new website that will allow you to take a look at the proposed multi-million pound re-development plans for Caldicot Leisure Centre. MonLife are committed to investing in projects which will benefit the health and wellbeing of our community, not only for now but also for our future generations.

This site will give you the opportunity to have your say via our online survey and also answer any questions you may have through a designated FAQ section. By completing the survey and signing up for our regular updates you will also be entered into a prize draw for a chance of winning a MonActive Annual Membership worth £335 or a Fitbit charge 4.

Councillor Richard John, Cabinet member for MonLife "We want the new Leisure Centre in Caldicot to be at the heart of the community and that's why we're proposing this multi-million pound investment in exciting new facilities. We now want to hear the views of as many people as possible before we make any final decisions about the new leisure centre. I'd urge everyone in Caldicot and surrounding communities to have their say."

The survey is available in Welsh and English, it can be accessed via our website:
