Dear Parents/Carers,

I have received notification that the school will be used as a Polling Station for the Police and Crime Commissioner elections on Thursday 2nd May 2024. For the safeguarding of our pupils, we have decided that we need to close the school on this day. Unfortunately, we will have to take this day as a training day. I do not like taking training days in the middle of the week, or the middle of a half term, but on this occasion my hands are tied. I will need to cancel the training day we had planned on Friday 19th July.

Therefore the remaining training days will be Friday 9th February, Monday 8th April and Thursday 2nd May. Thank you for your cooperation in this matter and I am sorry again for any inconvenience caused.

Yours sincerely,

Mrs Kilbourn

Headteacher
