

Year 3 Newsletter

(Autumn 2023)

This Term

Welcome to Year 3! It is so lovely to welcome all of the children back to school!

This year the children will be taught by Mrs Perry. They will be supported in class by Mrs Wakelin and on alternate Wednesday afternoons the children will be taught by Miss Ley and Mrs Sheldrake.

Our topic this term is titled 'Here' which will begin by looking at our locality and the history around us. We will be comparing and contrasting Wales and our local area, both now and in the past...with lots of other exciting learning!

Don't Forget...

In Year 3 we will be doing P.E. on a Monday so please send your child to school in their P.E. Kits on this day. Please ensure PE kits follow school guidance as shared in the whole school newsletter and school website.

Please ensure that your child has a water bottle in school each day - labelled with their name and that all other belongings are also labelled with your child's name.

As a healthy school we promote a healthy lifestyle. Therefore children may only have fresh fruit or vegetables for snack.

Reading Books!

Reading books will be sent home on a Friday and can be returned to school by the following Friday with your child. If your child finishes the book before Friday then please encourage them to read their own books or library books.

In year 3, as we are very much in a transition year, some children will still be on the Read, Write Inc. programme. This means they may also have green or red words sent home by their Read Write Inc teacher to practise. Please could you support us by practising these words or books every night, as this will help them to develop their fluency.

Homelearning

This term we are working on logging into hwb.gov.uk to access J2E and Google Classroom. Your child would have brought home their HWB login card this week so they can practise typing their username and password. Once they are more confident, they will be able to access activities on Google Classroom such as online spellings and times tables games.

If you have any other questions or queries, please contact me via email on PerryS281@hwbcymru.net

I look forward to working with you to support your child this year!

Many thanks,

Mrs Perry
