

## Year 4 Homework

This year homework will be set online through Hwb. I will be setting new tasks using J2homework (Accessed through Just2Easy) on a Monday and will expect the activities to be completed by the following Monday. Feedback will be given through your child's 'My Files' on Just2Easy. Your child has been shown and has had a go at accessing and completing activities using this package. If your child cannot remember their log in details for Hwb they can be found on the inside cover of their orange home learning book.

### Each week your child will usually receive:

- **A Maths Worksheet Activity** - this may be completed by typing/writing directly onto the page on the screen or alternatively your child can complete the activity in their orange home learning book that was sent home at the start of term. Please note that if work is completed in the orange home learning book then a photograph of the homework will need to be uploaded into your child's 'My files' on Just2Easy so that I can mark it. I am unable to mark any work brought into school from home.

- **Spellings to learn via Spellblast 'Have a Practice'** (using J2blast through Just2Easy). This is an online platform that allows your child to learn their spelling words. Your child will need to select the correct spelling list from the shared option. I have also included a list of your child's spellings in the Year 4 Hwb class. Your child should be aware of what spelling group they are in. It is important that children only learn their own list of words, as that will be what they are tested on in the Monday spelling test.

Also included in the Hwb class spelling file is a list of the '100 high frequency words' and the 'Next 200 high frequency words'. Most children should be able to spell many of these words already. However, it may be of benefit to your child if these words were practised and tested at home.

- **Times tables to learn via TT Blast 'Have a Practice'** (Using J2blast through Just2 easy). This online platform allows your child to learn the times tables they are currently learning. Your child should be aware of what times tables they are learning.

- **Reading** - We are still in the process of arranging how reading will work this term. In the meantime it would be great if your child could read any suitable material you have at home such as books, comics or magazines etc.

Occasionally there may be additional tasks set relating to their topic work in class.

If your child cannot remember which spelling group they are in or which times tables they are learning then please email me. I cannot give out lists of groups due to data protection.

I have also attached user guides on 'How to log in to Hwb', 'How to access the Year 4 Hwb class' and 'How to use J2homework', including how to upload photos to your child's 'My files' and view feedback.

If there are any problems please email me at [sissonc@hwbcymru.net](mailto:sissonc@hwbcymru.net) and I will endeavour to get back to you as quickly as I can.

Thanks for your support  
Mrs Sisson
